

Certificate of Fabric Compliance

R.A. 9242 Philippine Tropical Fabrics Law

is granted to

Company Name
 Company Address

for the fabric sample tested as referenced in DOST-PTRI Test Reports **TR Nos.** ____ **and** ____ and Evaluation of Test Results **ETR Nos.** ____ **C and** ____ **P**

Conformity is based on fiber composition and minimum performance in PNS/PTRI 165 Textiles–Philippine tropical fabrics for career dress apparel–Performance specification. This conformity declaration shall be used only in conjunction with the certified batch of textiles produced. This may be supported by a notarized attestation/s that sum up to the volume of textile fiber and yarn produced as declared in the following input transaction summary:

Actual amount of fibers transported (kg)	Estimated amount of fibers used in production (kg)	Estimated amount of textile produced (yarn in kg or fabric in meters)

Certificate Number PTRI-PTF-xx-xxx
